## “The Outsiders” Comprehension Questions

- 1) Is Ponyboy like the rest of the members of his gang, the greasers? How are Ponyboy’s goals different from those of the rest of the gang? Should Ponyboy really be a Soc? Explain.
- 2) Where will the members of the greasers be in five years? How will they have changed? How will they have stayed the same? Even though high school will be long gone, will they still have a rivalry with the former members of the Socs? Explain.
- 3) Can the social barriers be broken down between the Socs and the greasers? Is there any reason to hope that the two rival factions will ever get along? Why or why not? How would life be different if they did?
